Payment Details

1. Circle PersonalEffect Edition is bundled with PersonalEffect cross media systems (such as TransMedia) at no extra charge. For other editions, Subscription Fee is paid upfront for a minimum of 12 months, beginning on the day of subscription.
2. Subscription can be renewed near end of term.
3. Credit is a “currency” bought in the store and used to pay the user monthly fee according to the table above (in the future these maybe used for other purposes as well).
4. Credits expire 12 months from date of purchase (regardless of the Subscription due date).
5. Circle automatically deducts the Credit amount when used. Calculation is performed on a daily basis, at the end of each day (UTC). Partial day usage is counted as an entire day.
6. Customer purchase additional Credits and renew the Subscription by emailing XMPie.
7. Non-credit card payments, and other manual transactions, are only possible for sums greater than \$1000.
8. If Credits are depleted or Subscription is due, the account may be frozen or terminated.
9. Customers may upgrade, downgrade or cancel the Subscription at any time.
10. All purchases are non-refundable.
